ORDER THIS PHOTOGRAPH! Some day you will REALLY want it!

Capture the memories of those first moments on campus with a panoramic photograph of the entire class. The panoramic picture above is a reduction of the impressive color photograph taken during a previous orientation. Continuing this tradition, a class portrait of the Class of 2021 will be taken on the first day of Orientation, which will be one of the few times that the entire class assembles together until graduation.

Simply order online at www.panfoto.com or complete this form. You can choose to have your photo matted and framed in a black wood frame with a Harvard crimson mat, laminated, or unframed. Whatever you select will be delivered six to eight weeks after it's taken and will become a valued memento of these early days on campus.

Discounted prices on orders placed online only by **August 29**.
